### **Learning) (Solutions)**

This is such a basic fact of science and logic that I think it is a waste of time to delve more deeply into your arguments if you can't get even this elementary fact of the scientific method right.

### **Raised in the Trap**

I just did a little research, which I should have done before asking my question. But in introducing me simultaneously to scepticism and to wonder, they taught me the two uneasily cohabiting modes of thought that are central to the scientific method.
