**Adolescent Psychiatry, V. 27: Annals of the American Society for Adolescent Psychiatry**

On that occasion, a series of consultations and discussions led policymakers from around the world to the startling conclusion that, after the disorderly collapse of Lehman Brothers, the global economy risked tipping into a great depression. Such a man as that will be abnormal, and so will he be who is indignant if everything constituting a whole has its own parts, of which it makes use in their natural arrangement and position in every case.
